FOR EXEMPTION PERMIT FROM THE BOARD OF WATER WELL CONTRACTORS LICENSING LAW

Section 37-43-302(2), MCA provides for an exemption from the licensing law, provided the Board issues a permit. The applicant must own or lease the land upon which the well will be drilled. The land must be used solely for farming, ranching, agricultural purposes, or as the applicant's residence, *and the applicant must do the drilling work himself.*

The completed application must be returned to this Board, and the permit issued and received *before* the drilling operation can be started. A fee of \$100 must accompany this application.
